Get The Tao Of tTalking

Effective presentation skills are vital!. People who cannot speak well will not be able to persuade others to action. Speaking to two or more people requires a high level of listening skills, verbal adroitness and simplicity, peppered with subtle sophistication, creativity and inter-personal skills. This workshop is ideal for people who are engaged in communication and present your ideas with impact and purpose.

Our Presentation Skills Workshop will realize the speaker in you. As you undergo this workshop, you

will realize that making presentations is not as difficult as it looks. You will gain the necessary confidence

to speak up while creating a positive impression for yourself. The workshop is activity orientated thus learning is done experientially. The fundamental principles of speechmaking and their primary techniques will be imparted to participants in a simple, fun and effective way and is base on the world wide distributed book "The Tao **Tao of Talking**" authored by the programme leader
